Avis J. Mello  
1935 - 2010

JANE lost a great friend and supporter on August 4th when Avis Mello passed away following a nine-month battle with pancreatic cancer. Avis attended our annual Maple Syrup Brunch Tour in March despite being in the midst of a series of chemotherapy treatments. It was great to have her back with us, but it was to be only a short respite from the ravages of her illness. Many will remember Avis for the many years she has hosted our Annual General Meeting and Holiday Party, but she was a staunch supporter of the club in other ways as well -- working at our Concours, doing both Magical Mystery Tours, hosting JANE members at her beautiful summer home on Lake Winnepesaukee, and numerous other events.

One of Avis's last gifts to JANE was but a week before she died -- she arranged for JANE to continue to have our AGM at the Vesper Country Club. Those who knew Avis well will remember her for her smile, enthusiasm, humor, and personal warmth. All who knew Avis will miss her very much.

**O**ur 38th Annual Concours and Jaguar Festival is now in the past, but I still can't help smiling about the entire event. It was a smashing success on all levels.

I want to start with what to me was the most moving and important part of the entire weekend. As many of you I am sure recall, we lost one of our most beloved members in 2008 when Harry Parkinson passed away. Harry had been working on the restoration of a Mark IV Drop Head Coupe for nearly a decade, and when he left us, the car was nearing completion at a restoration shop in the UK. Harry never saw the finished product of his years of labor. We had hoped to have the car at the 2009 Concours, but with shipping delays it proved not to be possible. The car's first official JANE outing came in a special event honoring Harry and unveiling the magnificent car in November of 2009 (see the event report in the December 2009 *Coventry Cat*).

This year the Mark IV was the star of the Concours, gleaming white and chrome, with beautiful red interior, parked by itself next to the gazebo. The Parkinsons were all there -- wife, Marilyn; son Hank; grandson, Evan (one of our Concours judges this year); and granddaughter, Paige. Along with John Brady, several members pitched in to clean and polish the Mark IV to get it ready for judging.

When the judging was completed and the People's Choice ballots were in, all of Harry's efforts paid off. The Mark IV was a class winner (Champion Division, Class 01B), Best in Show in Champion Division, and People's Choice. The results were welcomed and moving for all of Harry's family and many friends, and we were all sure that Harry was looking on with the usual twinkle in his eyes and devilish little boy grin.

The Best in Show - Driven Class award was also richly deserved. JANE member Jim Coull spent five years restoring his 1967 E-Type OTS to a very high level, and in 2009 he and his wife, Crin, were caravanning with Carl and Sing Hanson and Prebble and me to Sturbridge, and I am sure Jim had visions of at least a class win swirling around in his head. But it was not to be. Going into Worcester the brand new 5-speed transmission locked up solid. We couldn't even push the car off the road. Rather than partying Friday night with everyone at Sturbridge, Jim and Crin arrived home at midnight and had to get the car off the flatbed and into their garage. They came to the Concours on Saturday, but without the E-Type -- a hollow feeling to be sure.

This year things were different, though still a little trying. While being judged, the car's license plate lights refused to come on, and, as is their norm when traveling in the E-Type, the spare had been removed to make room for luggage. Both of these issues involved mandatory deductions. Jim was pretty long-faced going into the cocktail hour. But his fears were unfounded. This beauty (Opalescent Dark Green over Light Green) was so beautifully prepared in every other way that it was its class winner and was also awarded Best in Show in the Driven Division. I was pleased for Jim and Crin, and it also saved me some money -- last year I gave Jim a bottle of good scotch at the awards banquet to help mitigate his disappointment. I didn't have to put up the money this year!

The next most important thing to say about the Concours is to thank Mike Kaleel and Brenda Soussan for another wonderful event. It was perhaps the best JANE Concours ever, with everything, including the weather (sunny, dry, and temps in the high 70s) going off without a hitch. This was the last year for Mike and Brenda to co-chair the event, as they are stepping down for a much-deserved rest. We cannot thank them enough for the magnificent job they have done. It has been a truly spectacular series of Concours under their direction, and they leave behind a well-oiled machine. Most of the other Concours team members will, I'm sure, be back next year. Our challenge now will be to put together a new team of event chairpersons to carry on Mike and Brenda's great work.

## Avis Mello has passed away.

Avis loved her Jaguar and her JANE friends, and she brought an extra sparkle and festive atmosphere to every JANE event she attended. She was all over the field at our annual Concours selling raffle tickets. At each of our Magical Mystery Tours, she regaled us with stories of her adventures of the day's tour. She graciously hosted us at her lovely Lake Winnepesaukee home. And for several years now she very generously arranged for us to have our JANE annual Holiday Party at her Vesper Country Club.

What a treasure Avis was to JANE and in the lives of those of us who had the privilege of knowing her well. I shall miss her very much.

# JANE 2011 Jaguar Wall Calendar

## Calling for All Good Photos of Your Jaguars!

Tracey Levasseur is already working on JANE's 2011 calendar. Anyone wishing to have photos considered should send them to Tracey's email address -- [sharppei@sacriver.net](mailto:sharppei@sacriver.net) -- **no later than September 15th.**

Any and all Jags are welcome. Please include a brief description of the vehicle along with your submission: year, model designation, exact paint color name, if known, and any little tidbit of interesting information or history. Also who the photographer is!

Another round of thanks and farewells is also due to Aldo Cipriano, our Chief Judge. Aldo, too, will step down after this year. He will still be a Concours Judge, and he looks forward to being able to compete with his XJ12 in 2011 -- something he has not been able to do in his Chief Judge position. Many thanks, Aldo, for a terrific job.

Fortunately, we already have a wonderfully qualified replacement for Aldo -- Jim Sambold. Jim is a past JANE President and a current Concours Judge, so we will not miss a beat when the 2011 event comes around.

We also took the occasion of the Concours to present two other major JANE awards not related directly to the JANE Concours, but very related to the Club's health and success.

The first is the Aldrich Award that annually goes to the couple deemed to have been outstanding, long-term contributors to JANE. For those who have not seen this rotating award, it features a beautiful black porcelain crouching Jaguar on a large wooden base. Affixed to the base are plaques listing the names of each of the award recipients. This is the ninth year the award has been presented, and the new plaque has the names of Ed and Cheryl Avis. Ed and Cheryl, from Litchfield, Maine, have run the JANE Hospitality Suite at the Concours for several years, have chaired every Maine-based JANE event we have had in recent years, and attend a surprising number of other JANE events given their distant location. They have also volunteered to expand their role in the Concours for 2011. We are fortunate to have such energetic and dedicated members.

The second award was the annual Bernie Yurt Award, named in honor of the founder of the New England XKs Association (NEXKA) that morphed into JANE as its membership expanded beyond XKs. It is presented annually to the member who has consistently played an outstanding role in JANE's activities. This year I was pleased to present that award to our Treasurer, Don Holden. While not always recognized as such, JANE's Treasurer plays a critical role in the club's well being and activities. Under Don's management, we have a substantial financial base, a firm grip on our financial health, and a clean slate as a non-profit organization. Don has been doing a magnificent job of this important function for years, and I hope he continues as our Treasurer for many years to come.

There are lots and lots of other people to thank for their contributions to the Concours and I cannot name them all here. There will be more in the event report to be completed soon, but I did want to specifically mention two people. The first is Bruce Murray for his excellent job as registrar. Without Bruce's efforts at making sure our registrations are complete and the scoring properly recorded, we could not have a Concours. The second is Margaret Caruolo. We were delighted to see Margaret at our July meeting in Sudbury, at the Concours, and in the Poker Run on Sunday. Margaret has had some recent health issues, and it is great to have her back with us. And, of course, we must thank her for sponsoring the two beautiful pewter bowls awarded to the Best in Show winners.

I have pretty much used all my space ( and then some!) on the Concours, but I also want to thank Aldo Cipriano for Chairing the Myopia Hunt Club event. Thanks to Aldo's efforts we had a fine day at the polo matches, about 25 or 30 Jaguars on the field, with lots of fancy picnicking and not an inconsequential amount of wine and champagne (and some Pimms) flowing. The highlight of the day was the presentation of the JANE Jaguar Cup to the winning polo team. Finally, thanks to Chuck Centore for organizing the Cruise Night to Kimball's Farm in Westford, and the Sunday Poker Run following the Concours.

August is a slow month for JANE, giving us all a break before the Lime Rock Vintage Festival, the Potluck Party at our house, the British Invasion in Stowe, and a TSD Rally on consecutive weekends in September. However, check the website and your emails periodically, as we may yet schedule a driving event in mid-August. 🇺🇸

## Upcoming Events

### JANE Monthly Meetings

Longfellow's Wayside Inn

**J**JANE's monthly meetings are at 7 p.m. on the fourth Wednesday of each month (except for November and December - see calendar). Our August meeting will be at the beautiful, historic Longfellow's Wayside Inn in Sudbury on Wednesday, August 25th. Plan to come a little early to "kick the tires" and schmooze in the Old Bar before dinner and the meeting. It's the perfect way to keep up with what all your JANE friends are doing. Be there! 🇺🇸

## JANE at Historic Festival 28 at Lime Rock Labor Day Weekend

**The Historic Festival 28 will run at Lime Rock Park in Lakeville, CT, over Labor Day weekend, September 3-6.** On Saturday and on Labor Day there will be an expanded number of races from previous years, and the traditional "Sunday in the Park" car show (there's no racing on Sundays at Lime Rock Park) is always a highlight of the weekend. This is an excellent opportunity to see historic and vintage sports cars on the track, and they are also very accessible in the paddock.

Labor Day weekend is a beautiful time to be in the Berkshires of northwestern Connecticut. If you plan to go, make your reservations soon, as this is a well-attended event at Lime Rock Park. Check out [www.limerock.com](http://www.limerock.com) for a lot more information on the Historic Festival weekend, including how to go about getting tickets. Check out the October 2009 issue of the *Coventry Cat* for the event report and photos from last year, when a number of JANE members attended. 🇺🇸

## Potluck Picnic, Lawn and Pool Party The Eklofs - Sunday, September 12th

**Early September marks the end of our busy summer season and the beginning of our equally as active fall season.** Dennis and Prebble Eklof will again host a JANE social gathering at their home in Groton, MA. Bring your Jags -- there's plenty space on the lawn for parking and tire kicking. Bring your swimsuits -- the pool will be open. Bring a good appetite -- there will be lots of food and drink. Bring a contribution to the food and drink spread, and let's all just enjoy each other's company and think ahead to our busy fall schedule of activities.

We'll gather at around 1:30 p.m. and go until there's no food or drink left, or everyone wears out and goes home. Any questions? Contact Dennis or Prebble at 978-448-2566 or by email at [prebble.eklof@verizon.net](mailto:prebble.eklof@verizon.net). Let us know what category of food or drink you plan to bring, so we can coordinate the food contributions and make sure to not have all of one thing! 🇺🇸

## JANE at 20th British Invasion Stowe, VT - September 17-19th

**The British are coming again!** This will be the 20th British Invasion event. It is always a fun gathering of British cars, and there's no better place to spend an early autumn weekend than Stowe, VT. Let's have a nice turnout of JANE members again this year.

The last two years there has been a Friday night block party in the center of Stowe. JANE managed to snare a curb-side table at Harrison's Restaurant one year and it became "JANE central" for the entire block party evening. No guarantees, but we'll try to do the same again this year, so stop by any time and join fellow JANE members for some quick refreshments.

We will have a JANE BBQ gathering on Saturday evening at a private house at around 7 p.m. To insure that we have enough food and drink on hand, if you plan to attend **please let Tom Brady know as soon as possible at 617-901-6988 or at [TBRADY312@aol.com](mailto:TBRADY312@aol.com)**. Tom is asking for a contribution of \$10 per person to help pay for the BBQ dinner. You can't beat that price for dinner, and you can't find better company anywhere during a British car weekend, so plan to come.

For all other information you may need about British Invasion itself, go to [www.britishinvasion.com](http://www.britishinvasion.com). And check out event reports of JANE's participation in previous British Invasion weekends on the JANE website. 🇺🇸

## JANE and AONE Rallye September 25th (Rain date September 26th)

**Tom Letourneau**  
JANE's Rallye Master

**J**JANE and the Alfa Owners of New England are ready to rally together again this fall. Tom Letourneau, our Rallye Master, has already laid out the fall rallye, gotten the awards, done it all. All you have to do now is put together your team, send in your registration, and show up for the good old-fashioned sports car rallye. The Rallye will be held on Saturday, September 25th. The entry fee is be \$25 per car for all JANE and AONE participants and also any Alfa and Jag club members from the respective Connecticut chapters. The fee for all others is \$30.

This year's rallye will begin at Dana Schwehr's shop, Upton Foreign Motors, 138 Milford Street (Route 140), Upton, MA 01568. We will travel through Mendon, Uxbridge, Blackstone, and Bellingham, MA, then into northern Rhode Island, where we will go along some beautiful back roads in Cumberland. The route will also include Cumberland's notorious "Tower Hill Road." Finally, we'll wind our way back up into North Attleboro, Wrentham, Plainville, and Franklin, MA -- horse and farm country.

This will be a TSD rallye with a Q&A gimmick angle. That means two rallyes in one (twice the winners and awards!), or you can just come along, follow the route, and enjoy the ride -- especially Tower Hill Road! There will be one 1st place award for the gimmick portion. First, 2nd, and 3rd place will be awarded for both JANE and AONE participants in the TSD portion. There will be one 1st place overall award., and also a 1st place award certificate for any non-JANE or non-Alfa participants.

There is a lot involved on the morning of a rallye (driver's meeting, final organizational procedures, answering questions, getting contestants off on time, etc.), so pre-registration is requested. This is also needed in order to properly plan the required seating at the restaurant that will be used at the Rallye's end for the awards presentation. **Please complete the event registration form on the next page and mail it to JANE/AONE Rallye, c/o Steve Thomas, 105 Juniper Ridge Road, Gilford, NH 03249. Send it in time for Steve to have it by Friday, September 17th.** You must include your email address, as you will receive the rallye route and instructions three days before the event so that you can be better prepared, ready to go, and have any questions you may have answered in advance. (NOTE: Absolutely no running the rallye route in advance! All participants will be on the honor system.)

The Rallye will end in the vicinity of the Wrentham, MA, factory outlet complex, right off Route I-495. A restaurant will be selected for dinner and the awards presentations, and then there will be easy access to the highway for everyone to head home. Your Rallye Master, Tom Letourneau, promises that you will not get lost on this year's Rallye! He says there will be no highly convoluted, boneheaded instructions, as was the case in last year's Tri-State Rallye's leg to Thompson Speedway. 🏁

# Coming Soon – Save These Dates

## JANE Fall Slalom is Just Around the Corner Devens Airfield, Ayer, MA - October 3rd

**Bill and Tom Parish**  
JANE's Slalom Co-Chairs

**J**ust a quick reminder that the JANE Fall Slalom will be here before you know it, on Sunday, October 3rd, at Devens in Ayer, MA.

We are of course anticipating perfect autumn weather – a bright, crisp day with colorful foliage, etc. So even if you do not want to run your car, why not come out for a nice fall day looking at beautiful Jaguars and other interesting vehicles ... all the while maybe even getting a late season tan!

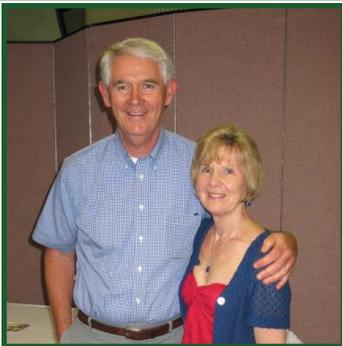

The Spring Slalom was a great event -- good cars, good people, as always, and excellent weather. You can read all about it in the July issue of the *Coventry Cat*.

We now have a very nice MicroSoft Excel program that will sort by class and time (help here is welcome). This should enable us to pass out awards before the \$1 runs.

The Spring Slalom was a bit hectic because we really did not have enough workers. We usually just say “volunteers are welcome,” now we mean “volunteers are needed”! For the fall event we need some real commitments. We need a minimum of four JANE members who are willing to come early (to help set up), stay late (to help clean up), and work in the middle (timing, starting, finish box, cone picking,) etc.

**To volunteer your help, or if you have any questions regarding the event, please contact Tom Parish at tparish@carlisle-co.com (978-828-4707) or Bill Parish at wdparish@verizon.net (978-486-9830).** 🇺🇸

## JANE Tour to Owls Head Transportation Museum Owls Head, ME - October 9 Weekend

**Ed and Cheryl Avis**  
JANE's Hosts for Owls Head

**D**etailed plans for JANE's weekend tour to Owls Head are still in the making and will be announced in the September *Coventry Cat*. But count on it being a fun weekend, as always, and put it on your calendar now and plan to come along.

For sure we will drive up to Maine on Friday, October 8th, and arrive in Tenants Harbor Friday afternoon in time to relax with cocktails on the deck at the Eastwind Inn prior to dinner there that evening. Lunch and a visit to the Maine Maritime Museum in Bath, Maine, are likely on tap for Saturday, with dinner at the Eastwind Inn again that evening. We will go to the big Foreign Auto Festival and Antique Aeroplane Show at the Owls Head Transportation Museum on Sunday.

October is a popular time to visit Maine, so make your reservations at the Eastwind Inn soon. The number is 800-241-8439, and be sure and tell them you are with the JANE group. More information on the Eastwind Inn is at [www.eastwindinn.com](http://www.eastwindinn.com). 🇺🇸

# JANE North Shore Tour

Salem, MA - October 17th

Our 2009 tour began at the Salem Witch Museum

**B**iff Michaud is planning a nice North Shore Tour for JANE again this fall. We don't have all the details yet on the starting point, exact time, etc., but the date is Sunday, October 17th, so plan to come out for this event, as it is currently the last driving event of the season on our calendar. Here are a couple of scenes from last year's North Shore Tour. More photos and the full event report are in the November 2009 *Coventry Cat*. 

Biff is a long-time resident of the North Shore and knows everything about the area. Here he tells the group about one of the scenic stops on last year's tour.

## JANE at the Myopia Polo Match By Aldo Cipriano - Photos by Dennis Eklof and Lisa Maselli

Aldo Cipriano was everywhere at once making sure everything was going well

**J**JANE's Jaguar Cup event at Myopia was a pleasant club experience and a completely successful event.

The JANE Jaguar Cup (at right), now in possession of the winning team of the USPA Chairman's Cup competition, is being etched for display at the Myopia clubhouse.

The day's weather was perfect, and a wide array of club Jaguars were present, including Ken Loring's stunning 1959 XK150, together with Rod Gilbert's famous 1962 E-Type, and President Dennis and First Lady Prebble's newly acquired XJ-VDP. Carl Hanson looked like the Duke from Bedford and has now mastered the notable mixes of Pimm's Cup and Pimm's Royale.

Champagne flowed discreetly, and the JANE ladies all looked radiant in their Ascot style hats. Yes, Sandy Cotterman is back, and she apparently had the good witch wearing red shoes working under her XKR during the polo match.

The Jaguar parade and surround on the field behind the winning team was impressive. Our deepest thanks and appreciation to Jaguar Motor Cars North America, Dick Kelley of Regional Marketing, for securing a manufacturer's sponsorship; Exeter Jaguar, Kelley Sayley, GM; Wagner Jaguar, Mark Wagner, Owner; and Sheree and Elaine Kaplan of Jake Kaplan Jaguar for their sponsorship and support. This was an all-Jaguar network success!

Nancy Keller, of *Polo Publications*, and I are already beginning to plan the 2011 event within the next few months. 🍷

Before the match began, one of the polo players came over to explain the finer points of the game to us

The match is underway. This pony is flying, with all four feet off the ground

Carl Hanson and Karl Hormann (left) and Gus Niewenhaus and Rod Gilbert (right) look intent on the action

Stacey Lancaster, Dennis Eklof, Michael Kaleel, Aldo Cipriano, and Francisco Silva head out onto the field to flip divots between chukkas

A new XJ shares the field with Tom Brady's 1961 Mark IX

Our Jags lined up on the field prior to presenting the JANE Jaguar Cup to the winning team

Here's a nice shot of the JANE Jaguar Cup that was presented to the winning team

The winning team members got their trophies, and JANE President Dennis Eklof got a souvenir horse shoe

Tom Brady thought it was a terrific event

# JANE at Kimball Farm Cruise Night

by Chuck Centore - Photos by Dennis Eklof

It was a warm summer evening, and over at Kimball's the cars gathered 'round.

If you were watching, you were certain to have found ...

Chevys, Fords, and Cobras -- all sorts of cars.  
But there in the midst was a pride of shiny Jaguars.

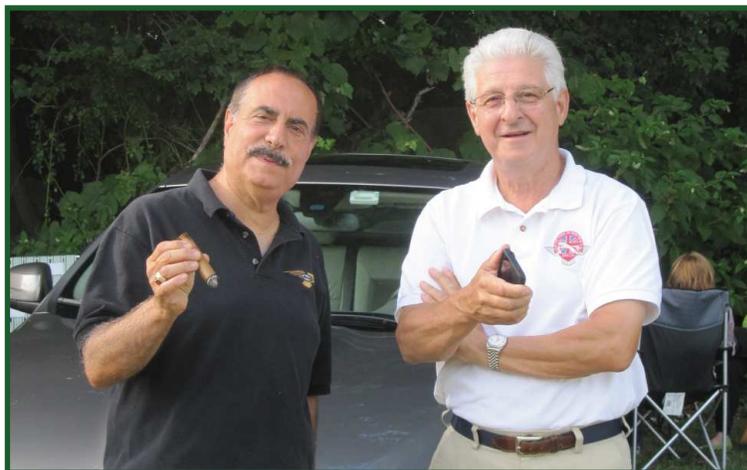

They were the hit of the evening, as most would attest.  
The Jaguars were certainly voted the best.

As the evening ended, we all took a final look.  
And tried to remember the hands we had shook.

As we said goodbye to our Jaguars and friends.  
We'll remember an evening that we did not want to end.

Run E-Types, Run XJSs, Run XJs and XK8s.  
Run all the way home to your fine estates.

Now if you missed it, you won't have to fret ,  
because Dennis will certainly have pictures, I bet. 📷

**Clockwise from Top:**

# JANE Concours d'Elegance and Jaguar Festival

**J**ANE's 38th annual Concours d'Elegance and Jaguar Festival was the perfect event in every way.

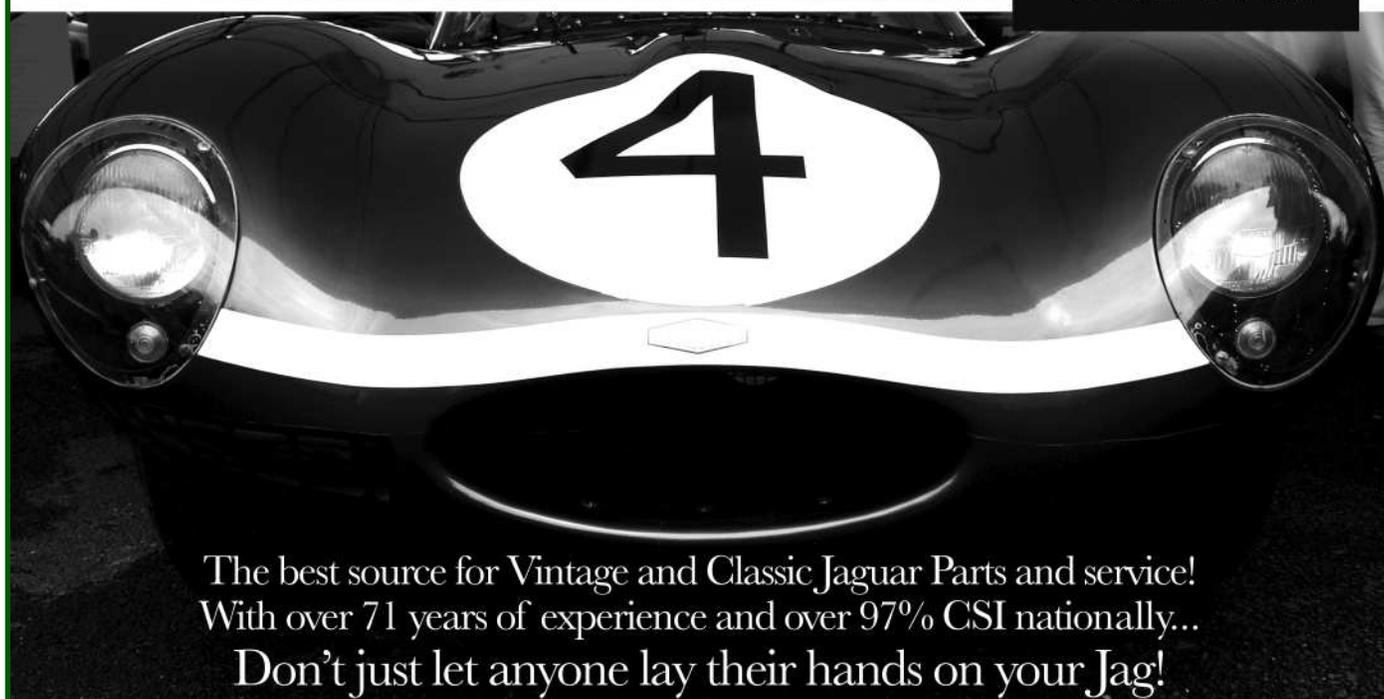

Here's a photo of the show field. Michael Kaleel, Concours Co-Chair, will have a full event report for the September *Coventry Cat*, accompanied by several pages of photos from the event. and a listing of all winners.

**J**ANE's Jungle Cat entry at the 24 Hours of LeMons did not "win," but with Margo Hagopian Otey as not only our mascot, but one of our drivers, it was a fun event. Look for Tom Moses' full event report, with many more photos, in the September *Coventry Cat*.
